Web Design

Lecture 7 - HTML & CSS

Practice

- Quiz practice
- Coding practice & Peer review

HTML quiz:

<https://www.w3schools.com/quiztest/quiztest.asp?qtest=HTML>

Time: 20 minutes

CSS quiz:

<https://www.w3schools.com/quiztest/quiztest.asp?qtest=CSS>

Time: 15 minutes

Test yourself sections in the textbook

Visit the website: <https://fintech.bav.edu.vn/>

How many pages are there in the website, draw the directory structure of this website project

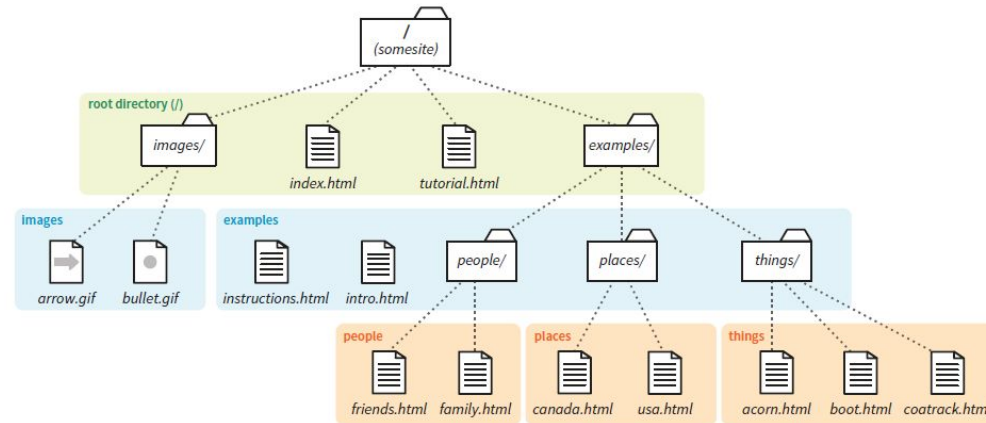

FIGURE 6-12. The directory structure for the “Test Yourself” questions.

Draw a document structure of the homepage

An example:

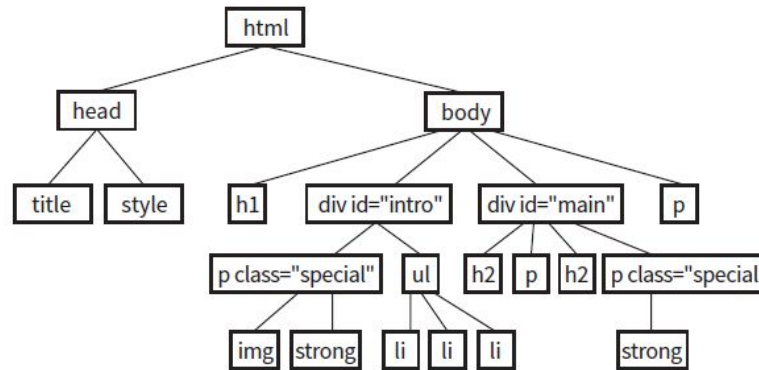

FIGURE 12-25. Sample document structure.

Change the font style of the navigation bar to “Arial”

Change the text color of “Diễn giả”

Make the circle border of the 4 faculty logos

Work in group of **3-4 members**

- https://docs.google.com/spreadsheets/d/1mjkeWJPJyOpcM5-FW_yYoMm4l2mqF5luCHw8TP0NWBs/edit?usp=sharing
- Choose a topic in the given list
- Find a sample website for the chosen topic
- Design your own website (at least 3 pages)
- Compress all of your source code and assets, submit to a form
- Cross-check and give score to 2 other groups
- Summarize

- Plus points: 2 groups with the most useful and detailed comments
- Minus points: groups with the average score less than 5
- Need review: groups with the difference in grading greater than 2
